SUBJECT.

On re the alienation of shops attached to the masjid

The Superintendent of Inam Settlements, Mysore

No. III

dated 20th March 1908

(Slip A)

Usman Sahib of Siddhalghatta petitions
this office complaining of the alienation of
the shops endowed to the masjid at the
place and praying for their restoration
to the institution.

(Slip B)

The petition was forwarded for
report to the Dy Commissioner, Kolar
District, and that Officer reports that
the masjid in question has not been
endowed with land inams or cash
and therefore, it is not a muzrai
institution, that it does not

expedient for Government to interfere for the restoration of the shops to the Masjid. That the parties might settle their claims in a civil court and that accordingly an endorsement might be issued to the petitioners.

In connection with the repairs to the institution, Mr C Madiah, the then Dy. Commr of the Kolar District having reported on the 23^d Sept 1896 that the Masjid has Imam lands measuring 3 acres, 8 guntas with an assessment of Rs 4/4, Rs 1000/- were sanctioned from State grant in Govt order of the 15th July 1897. in addition to the sum of Rs 3500/- being the contribution collected by the devotees for the repairs to the institution.

(Slip C)

Reference was invited to this communication and the Dy. Commr was asked to account for the conflicting report that the Masjid is not a reg. institution.

The Dy. Commr now reports

(Slip D)

That the main lands in question were granted for Khazi service, and the Masjid is the same stated in Mr. C. Madia's communication.

(Slip E)

From the extract of the Dham Register, it is observed that the lands were granted for Khazi service.

Submitters.

This is a peculiar case. The local Officers including the Dy. Commr. Mr. C. Srinankar and Jy. say that the Masjid at Sidlashatta is not a Muzrai institution - not being endowed with either cash or land income, and therefore the Dy. Commr. says that it is inexpedient for Govt. to interfere in the matter of the restoration of the shops in question.

to the Masjid

At the time when the Masjid was in a dilapidated condition, Rao Bahadur Mr. C. Madiah when he was Dy Commr of Kolar reported to Govt on the 23^d September 1896 that the Masjid in question had inam lands measuring ⁴3-⁶8 with an assessment of Rs 7. Thereupon, the Govt in Pro: No. 845 of 15th July 1897 sanctioned 1000 Rupees from the State Grant towards its construction because the Masjid was considered to be a Muzrai institution.

Mr Sricanteswara Iyer says that the inam lands above are granted for Khazr and not to the Masjid itself

Muzrai Secretariat

File No.

of 190

From the extract of the Inam-Deft., it is observed that the lands in question are "Devadaya" Service inam granted for the support of the person who performs Khazji Service.

The service to be performed by the Khazji is in the Masjid where he is expected to read the Khoran, conduct Fateha & therein. It therefore appears that the service of the Khazji and the Masjid are identical. Evidently, Rao Bahadur Mr. C. Madiah reported that the Masjid was a Muzrai instn. under the impression perhaps that the Khazji was not a separate entity from the Masjid.

As regards the shops in question, it appears that the

site was purchased for Rs 10 by the father of the present Khazji and the shops were constructed by him at his own cost.

But, ~~from~~ ⁱⁿ the copy of the Endorsement granted to the Mohomedans of Sidlaghatta by the late Mr. Mohomed Ali (Asst. Superintd) on the 17th June 1870, ~~decidedly~~ he has stated that it was the intention of the Khazji to utilize the income from the shops for the benefit of the Masjid and that if the shops were sold at any time, steps would be taken in the matter

Reporting on the petition

From C. Srikanthswara Iyer Esquire B A B L

Secretary to the Government of Mysore
Muxerai Department.

Sir,

With reference to your docket no 3804 dated 4th February 1904 forwarding for report the petition of Usman Sab of Siddaghatta complaining of the alienation of the shops endowed to the Masjid at the place, I have the honor to submit that the Sub Division Officer, Chick Ballapur, reports in his yadi no 833 dated 4/5 January 1906, that the Masjid in question has not been endowed with any Inam lands or any cash tasdik and that therefore it is not a Muxerai Institution, that it does not seem expedient for Government to interfere for the restoration of the shops to Masjid, that the parties might settle their claims in a Civil Court and that accordingly an endorsement might be issued to the petitioners.

records, it can be seen that the site adjacent to the Masjid was granted in sale to Khaji Ismael Sheriff, by Mr B. Krishna Iyer, the then Deputy Commissioner on the 24th December 1868 and the purchaser subsequently built 4 shops on a portion of the site. The purchaser sold these four shops in question for Rs 100/-; 160/-; 190/-; and 100/- on 9.11.77; 24.3.86; 22.4.91; and 22.4.91 respectively.

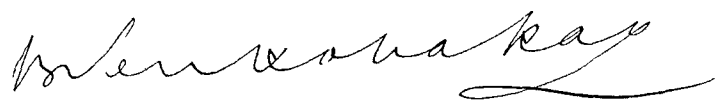

There was no dispute about the sale of the shops so long as the original purchaser of the site from Government was living.

Hence the present complaint of the petitioner is untenable.

3. Vernacular Correspondence ending with Chickballapur Sub Division officer's Zodi No. 833 dated 4/5 January 1906 together with the petition received with the above are herewith submitted for kind perusal.
